

## Problem and Solution Graphic Organizer

Think about issues or problems in your community or school that need to be addressed. Write down the specific problem.

1. Identify the Issue

Problem		
Who?	What?	Why?

Step 2: Propose a solution. Be specific to what changes or actions your bill will require.

Propose Solutions

Step 3: Explain how the proposed solution will address the problem and how will the solution make a difference.

Explain the Benefits
